

## TEXT

### 1.1 Introduction

The following modifications were made:

Railway organisations:

- a) *Rail regulatory body:* **Ministry of National Development** ~~Transport Authority~~, whose tasks and power are set out in Paragraph 69 of Act CLXXXIII of 2005 on railway transport (hereafter referred to as Railway Act).
- b) *Railway Authority:* **Ministry of National Development** ~~Transport Authority~~, whose tasks and scope of authority are set out in Paragraph 80 of Railway Act.

### 1.3 Legal framework

The following modifications were made:

- ~~Governmental Decree 263/2006 (XII 20) Korm on the National Transport Authority,~~
- **Governmental decree No 382/2016. (XII. 2.) on the designation of the transport authority tasks**

### 1.8 Contacts

The following modifications were made:

**Ministry of National Development** ~~Transport Authority Central Office~~

Address: H-1066 Budapest, Teréz krt. 38.

Telephone: +36 1/373-1442

Fax: +36 1/332-6532

E-mail: [office@nkh.gov.hu](mailto:office@nkh.gov.hu)

Website: [www.nkh.gov.hu](http://www.nkh.gov.hu)

### 2.2.3 Operation licences

The following modifications were made:

Name, address and availabilities of the rail regulatory body:

Name: **Ministry of National Development** ~~Transport Authority Central Office~~  
Market Control and Passenger Counsel Main Department  
Railway Managing **Body** ~~Department~~

Address: H-1066 Budapest, Teréz krt. 62.

Phone: +36 1/815 9679

Fax: +36 1/815 9670

Website: [www.nkh.gov.hu](http://www.nkh.gov.hu)

## 2.2.4 Safety certificate, complementary certificate, safety permission

The following modifications were made:

Name and address of the railway transport authority:

Name: ~~Ministry of National Development Transport Authority~~  
~~Office of Road, Railway and Aviation Affairs~~  
Railway ~~Authority~~ Department  
Railway Safety and Monitoring Division  
Address: 1066 Budapest, Teréz krt. 62.  
Phone: +36 1/474-1786  
Fax: +36 1/312-6614  
Website: [www.nkh.gov.hu](http://www.nkh.gov.hu)

## 2.4 Operational rules

The following modifications were made:

### 2.4.1 The obligation of employing railway operational instructions

Railway Undertakings must observe the following operational instructions of the infrastructure managers:

- a) F.1. Signalling Instruction
- b) F.2. Operational Instructions and Appendixes
- c) E.1. Instructions for the personnel of the traction unit (unless the Railway Undertaking has an instruction approved by the ~~transport authority~~ National Transport Authority)
- d) E.2. Brake Instructions
- e) E.12. Technical Wagon Service Instructions
- f) Technical tables Volumes I-II
- g) E.101. General Instructions for the operation of standard gauge electrified railway lines
- h) H.6. Instructions for handling extraordinary consignment
- i) As regards MÁV Zrt, parts of O.1. Training Instructions involving the qualification required to perform the service unaided.
- j) As regards GYSEV Zrt, Training Instructions of GYSEV Zrt (except for qualifications to which Railway Undertakings have their own training instructions),
- k) Executive Instructions for stations - Infrastructure related parts
- l) Executive Instructions for traffic regulation for line sections
- m) Deviation in Instructions to be used for neighbouring railway networks

From instructions listed above, ~~transport authority~~ National Transport Authority approves instructions listed under a) - h). Entering into force, publication or modification of these instructions are communicated by MÁV and GYSEV towards VPE and the Railway Undertakings, and any information in line with these instructions must be placed on their websites, too.

## 2.7. Conditions for the running of rolling stock

The following modifications were made:

Licensing authority:

~~Ministry of National Development~~ Transport Authority

~~Office of Road, Railway and Aviation Affairs~~

Railway Authority Department

Address: H-1066 Budapest, Teréz krt. 62.

Phone: +36 1/474-1786

Fax: +36 1/312-6614

## ANNEX

### 1. 6.3-1 Service place categories and line categories of MÁV Zrt.

The following modifications were made:

Line number according to NS	IT line number	Sservice place code	Name of the service place	Chargeable kilometres	Station category for passenger trains	Station category for freight trains	Line category	Start/end of the train path	Request stop available
41	41	06254	Kaposhomok <del>mh.</del> ipvk.	20,2	4	3	2	No	No
4	4	01586	Eternitgyár mh. <del>ipvk.</del> (Lábatlan)	14,9	4	3	2	Yes	No

## 2. 3.3.1.1 - Main characteristics of railway lines. track sections

The following modifications were made:

Main number Side number	Starting point of line (station)		Final point of line (station)		Break-down of line into sections		Number of tracks		Application load per meter (t/m)		Applicable class of line		Applicable axle load (t)										Track speed (km/h)****		Maximum length of train (m)		Electrified (yes/no)		Type of traffic management of line		Ground-to-rails radio-yes (GHz) (no)		Train protection (yes/no)		Possibility of fast transport (yes/no)		Rating of lines		Remarks		BSCA		BSCJ																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																				
													for hauled vehicles																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																		
													2 axle		4 axle		6 axle		special*		special**																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																										
													without limitation	with speed limit	without limitation	with speed limit	without limitation	with speed limit	without limitation	with speed limit	without limitation	with speed limit
