### Modification list - PR 2016-2017 Modification 6

#### 6.5. PERFORMANCE REGIME

*This subchapter was completed as follows:*

##### IV.2.1.3 Conditions of providing the financial compensation

IV) Freight transportation taking place on primary train paths:

The freight train runs on train paths under the scope of incentive. The order of the applicant can be considered to come under the scope of the incentive if:

- the order is allocated in one train path to the routes determined in this point below,
- the train runs the whole allocated path,
- wagon insertion/detachment does not take place at the intermediate stations except exceptional events.

Train paths under the scope of incentive:

- Eperjeske-Átrakó (5514191) - Dunaújváros (5506502) and back;
- Záhony-Rendező (5542077) - Dunaújváros (5506502) and back;
- Fényeslitke-Déli rendező (5542127) - Dunaújváros (5506502) and back.
